Dear Prof. Bachurin,

It is a pleasure for me to inform you that the Executive Committee of EFMC has unanimously decided to sponsor the "5th Russian Conference on Medical Chemistry with International Participation "MedChem – Russia 2021". Besides providing you with the logo and creating a link on our homepage www.efmc.info, we will also include your symposium in MedChemWatch, the official newsletter of EFMC and in the newsletter dedicated to Sponsored Events.

According to our regulations we kindly ask you to place the EFMC logo on relevant publications, present a slide at the opening, add a page about EFMC in the book of abstracts, distribute promotional material about EFMC at the event and deliver the list of attendees including the email addresses.

In an effort to increase our services for the Medicinal Chemistry Community we also offer you to make the abstract book available for download from our webpage, as well as publish the report of the meeting in MedChemWatch. If you would agree to this, please send us the respective files.

With my best wishes for a successful meeting,

Rui Moreira
President, EFMC
